Dear Dave,

Tired, I forgot this: Jack said as we left about 2:30 this a.m. the one thing that could interfere with his acceptance that he could forsee is his football commitments. Perhaps you can check on that.

If I may, I'd also suggest that you invite his staff ~~xxxx~~ To the best of my knowledge, as of now, this consists of Maury Levy, his night producer, Lynde Calle, his day producer, Jeanne [illegible], his secretary, who I met for the first time last night, and possibly the engineer, whose name I never did get. The engineer may do other things, may not be part of Jack's own show, I do not know.

From what I know, I think Jack would appreciate this. Maybe I'm wrong. Just a suggestion.

Best to you all,
